Johnson County Ambulance District  
500 East Young Ave.  
Warrensburg, MO 64093

---

We are seeking approval for the sale of surplus equipment owned by the Johnson County Ambulance District. The sale will be through Purple Wave, a reputable online auction platform, that will meet the sale requirement of a political subdivision. This decision aligns with our goal to optimize resources, free up valuable storage space, and generate revenue from items that are no longer essential to our operations.

**Surplus Equipment to be sold:**

2009 Ford Escape

VIN: 1FMCU93GX9KB39502

Mileage : 110,000

2014 Ford F550 Trauma Hawk Ambulance

VIN: 1FDUF5HT4EEA61630

Mileage: 289,962

The engine requires replacement.

Kenwood Mobile Radios - VHF

NX-5700H-F VHF dual head - 7

TK790H dual head - 10

TK790H dual head - 3 Unknown Status

TK790 Single Head

Kenwood Mobile Radios - Digital

Viking digital - 6

Kenwood Portable Radios - VHF

TK2312 -16

NX2212 -7

TK2212 - 2

NX5200 - 3

**Recommendation:**

I recommend approval from the board to move forward with listing these items for sale through Purple Wave. We believe this process will provide a streamlined, cost-effective solution that aligns with our operational and financial goals
