2025 Financial Audit

In accordance with Missouri Revised Statutes and standard governmental accounting requirements for political subdivisions, Johnson County Ambulance District undergoes an independent annual financial audit to ensure transparency, accountability, and compliance with applicable financial reporting standards.

The independent audit was conducted by a certified external auditing firm, Gillum & Gillum, and includes a full review of the District's financial statements, internal controls, and compliance with applicable laws and regulations.

Recommendation

It is recommended that the Board of Directors approve and accept the 2025 Financial Audit as presented and authorize submission to the State of Missouri as required by law.
